

REACH REGULATION n° 1907/2006
(European Regulation for Registration, Evaluation and Authorisation of Chemicals)

PINTOSSI+C SPA

Regarding the REACH regulation in force since 1 June 2007 which provides, for those who produce or import from non-EU countries a chemical or a preparation in quantities equal to or greater than one ton per year, the registration with the European Chemicals Agency (ECHA),

as a downstream user declares that it has fully complied with its obligations and, after a precise analysis of its suppliers, with regard to SVHCs and their concentrations in the products supplied to it,

DECLARES

with reference to the "Candidate list" of SVHC substances updated in 04 02 2026 that the products supplied to you contain more than 0.1% P/P the following substances

Name	Update	CAS Number	EC Number	Danger	SVHC location
Lead (Pb)	June 2018	7439-92-1	213-100-4	Toxic for reproduction Category 1A	Brass
6,6'-di-terz-butyl-2,2'-metilendi-p-cresolo)	June 2022	204-327-1	119-47-1	Toxic for reproduction Category 1A	EPDMr
Bis(α,α -dimethylbenzyl) peroxide	June 2025	80-43-3	201-279-3	Toxic for reproduction Category 1A	EPDMr
